WHY NOT?

Why not phone or write for our "1935 POLICIES AND PRICES"? Our costs will be reduced this season as we are not issuing a catalog, and we want you to benefit by this saving. You may use our 1934 catalog for descriptions, but if you do not have one, please ask for a copy. We have a limited quantity left.

Our "1935 Policies and Prices" will show you a great saving on fine ornamental trees and plants.
